About 15 Stamford by Alvin Leung

15 Stamford by Alvin Leung is The Capitol Kempinski Hotel Singapore's signature Asian bistro and grill restaurant. Canadian chef Alvin Leung, known as the Demon Chef, is not your typical Michelin-starred chef. Sporting his iconic blue hairstyle and tattoos, this maverick culinary craftsman found fame with the launch of his Hong Kong restaurant Bo Innovation.

The menu at 15 Stamford by Alvin Leung reveals the more subtle aspects of Michelin-starred chef Alvin's epicurious genius. It showcases a fascinating array of his favourite Asian recipes inspired by his travels around Asia, particularly the cuisines of Korea, the Philippines, Thailand, Malaysia, Hong Kong and Singapore. Chef Alvin's creative twists on well-known Asian classics breathe new life into old, familiar recipes and inspire a fresh appreciation for the flavours and ingredients you always thought you knew. The centrepiece of the restaurant's open kitchen is the hot coal grill. Serving up a selection of mouth-watering meats and seafood chargrilled to perfection throughout the week, the Demon Grill is the star attraction of the restaurant.
