Aqua Village Health Resort & Spa regains the title of Best Hot Spring Resort

The prestigious award has been granted for the second time to Aqua Village Health Resort & Spa, which has just received an additional 12 awards at the Haute Grandeur Global Excellence Awards, a ceremony that recognizes the world's best hotels, considering the experiences offered by each one and the opinions of their customers.

Aqua Village, a 5-star resort located in Oliveira do Hospital, once again puts Portugal in the spotlight, featuring among the world's best hotels in the categories of Resort, Restaurant, and Spa. In the Resort category, the Central region unit received four global distinctions, being awarded as the Best Thermal Resort, the Best Resort with Spa, the Best Hotel Apartment, and the Best Luxury Apartment.

For lovers of haute cuisine, Aqua Village offers the Roots Restaurant & Bar, recognized as the Best Gourmet Cuisine Restaurant, the Best Portuguese Cuisine Restaurant in Europe, the Best Family Restaurant in Portugal, and the Best Restaurant with a View in Portugal.

Aqua Village's Spa continues to be one of the top choices for its visitors, having been awarded as the Best Health and Wellness Spa in Portugal, the Best Spa for a Getaway, the Best Luxury Spa in Portugal, and the Best Thermal Spa in Portugal.

The Official 2023 Haute Grandeur Global Hotel Awards recognizes the top-rated hotels around the world that offer exceptional customer service, high standards in all aspects of the hotel and unparalleled experiences for their guests. Award-winning establishments are perceived as the benchmark in the industry and Haute Grandeur Global Hotel Awards only award the most remarkable, of already

exceptional hotels, spas and restaurants. This year the standout comments submitted by first-hand customer experiences included exceptional service, comfortable amenities, and state-of-the-art facilities. Award-winning hotels have gone above and beyond to create unforgettable experiences to their guests from the smallest details to the grandest gestures.

"Receiving these awards is the recognition of the effort and dedication of a committed and professional team that works every day to provide memorable experiences to our guests. We want and will continue to give our best!" emphasizes the General Manager of the resort, Francisco Cruz.

In addition to accumulating several international awards, Aqua Village is much more than a simple luxury resort. It stands out for its innovative offerings, which include suspended structures in the treetops, specially designed for massages, hammock beds that stretch along the Alva River, and a private river beach for guests. The resort has 29 apartments, ranging from one to two bedrooms, all very spacious and fully equipped, and it also boasts a luxurious and exclusive Presidential Suite. All apartments are self-sufficient and ideal for those seeking a luxury vacation solution in one location.
